Product Features:

1. Quality famous branded LED COB chip, high luminous efficiency, CRI>80/90, stable performance to provide uniform & comfortable light layout.
2. Patented appearance design. High quality aluminum heat sink to ensure ingenious shape and increase heat dissipation ability .
3. Twice precision optical design to make uniform, soft and comfortable light, anti-glare design.
4. High quality internal isolated constant current driver, high quality. Dimming, intelligent control function for options.
5. Patented mounting solution to ensure reliable and efficient installation.
6. Serialized products, powers ranging from 8W-40W.
7. Lifespan up to 35,000 hours,
8. 3 years warranty.
